

# Sand Martins Golf Club Public Exhibition

## Come and see our vision for the future

As a proud member of the local community for over 25 years, we're pleased to share our exciting plans for Sand Martins.

Please visit our exhibition, which sets out the Club's vision for the future and outlines our proposals which include:

- An extension of the clubhouse and refurbishment of the member's bar
- The creation of separate function facilities
- New on-site facilities including guest accommodation, a private membership health club & spa and a restaurant

Members of the project team will be available to explain our plans and answer any questions you may have.
